Dear Community member:

I am writing this letter to request your company to be a potential event sponsor for the Flovilla Day-5k event, co-hosted by Love Thy Neighbor, to be held on May 1, 2021. All of the proceeds will be donated to the Chris Head who was recently critically injured while attempting to break up a fight between gang members within our community.

In return for your donation:

- your company name will be added to the 5K t-shirts
- your company name will be announced multiple times during our event and included in our radio and media announcements.

In requesting your sponsorship, your company can also provide business related materials (ex. stickers, business cards, samples, flyers, coupons, etc.) to be put in the event bags that will be given to each 5K participant. If possible, please reply back by April 17, 2021 so we can assure your company name on the 5K Run/Walk t-shirts.

BUSINESS NAME: _____
